

DUBAI, YOUR TENNIS & PADEL OASIS

› 2024-2025 SEASON

OUR COACHING PHILOSOPHY

For the past 25 years, my vision has been the same. People want two things when they visit a Mouratoglou site: **to enjoy themselves and improve their game.**

At Mouratoglou Tennis Center Jumeirah, we provide and embrace the potential of each person, no matter their goal, ambition or level. At the end of the day, it always comes down to helping the players improve while also having the best experience with the best coaches.

All **Mouratoglou Tennis Center Jumeirah** coaches have been trained and certified with the Mouratoglou **Coaching Methodology & Philosophy**. They have a mix of expertise in coaching children and adults, from beginners to advanced players, and speak multiple languages.
